

TIMBER RIDGE PROPERTY OWNERS' ASSOCIATION

RESOLUTION

Wire Mesh / Modern Farm Fencing

WHEREAS, at the September 22, 2020, board meeting of Timber Ridge Property Owners Association the board established the following guidelines for wire mesh / modern farm fencing to include wire panels must be framed on all sides (top, bottom, left & right) with finished frame facing out, 14 gauge or stronger hog wire mesh no smaller than 3" square.

WHEREAS, at the February 21, 2022, board meeting of Timber Ridge Property Owners Association the board refined the size of the wire mesh to the established guidelines for wire mesh / modern farm fencing as wire panels must be framed on all sides (top, bottom, left & right) with finished frame facing out, 14 gauge or stronger hog wire mesh *no smaller than 2" x 2" or larger than 4" x 4" square.*

WHEREAS, at the September 11, 2023, board meeting of the Timber Ridge Property Owners Association the current board, for the purposes of disseminating the policy guidelines for wire mesh / modern farm fencing as refined at the February 21, 2022, board meeting to interested parties, and therefore unanimously approved a resolution accordingly.

BE IT RESOLVED that the guidelines for wire mesh / modern farm fencing as wire panels must be framed on all sides (top, bottom, left & right) with finished frame facing out, 14 gauge or stronger hog wire mesh *no smaller than 2" x 2" or larger than 4" x 4" square.*

RESOLVED, this 11<sup>th</sup> day of September 2023

  
Catherine E. Gill, President

The undersigned secretary of Timber Ridge Property Owners Association, hereby certifies that the above and foregoing is accurate.

WITNESS MY SIGNATURE OF SAID CORPORATION on the 11<sup>th</sup> day of September 2023.

  
Rebecca O'Dwyer, Secretary
